ARTICLE XII

Hardship and Advisory Committee & Grievance Procedure

The Committee is to replace the "Trade Board" as established in this **Section** and assume all it's duties. In addition the new Committee will have authority to address, in a timely fashion, any undue hardships the collective bargaining agreement may impose on the Union, a Contractor or the Association on an issue by issue basis.

The Committee may modify terms and conditions to allow the Association Contractor manage it's particular project or to compete against unfair Contractors on a site by site basis.

All issues the Hardship and Advisory Committee reviews will be in writing and its actions will be decided by a simple majority. All concerns brought before the Committee will be reviewed periodically. Repetitious issues can be recommended for inclusion in a subsequent collective bargaining agreement.

The Committee will meet, upon written request, by the Association or the Union. Such request, by fax or letter, shall

state the project location, local Union, Contractor, Subcontractor and brief summary of the question to be discussed.

(A) All complaints, disputes and differences concerning the application, interpretation, effect, purpose or breach of any term or condition of this Agreement, or in the event there shall exist any claim, demand, dispute or controversy between the parties hereto, excluding the merits of jurisdictional dispute, i.e., a dispute with another trade over the assignment of work, the parties hereto shall first attempt to settle and adjust such dispute, claim, demand or controversy by negotiation.

(B) In the event said dispute, claim, demand or controversy shall not be completely settled and adjusted, the parties agree that it shall be referred for resolution by the Hardship Committee of the Association and the Union. Said Committee shall consist of three (3) members to represent the Association and three (3) members to represent the Union. The Committee shall meet within 48 hours after a written request by either the Employer or the Union. Each member shall cast one vote. Two members representing the Association and two members representing the Union shall constitute a quorum. Any member of the Committee directly involved in the dispute may be challenged by any two members of the Committee and shall be replaced by the Association or the Union, as the case may be? Decision shall be by a simple majority of the votes cast and

shall be final and binding on both parties. The Committee shall have the power and authority to fashion such remedy, including the imposition of damages, as it deems appropriate.

(C) Any grievance not resolved pursuant to (a) above, shall be submitted to arbitration before Roger Maher, Joseph W. Lipowski Robert Silagi or Robert Herzog who shall serve as the permanent contract arbitrator hereunder. The arbitrators shall conduct a hearing in such manner as he shall consider proper and shall serve as sole arbitrator of the dispute between the parties. The arbitrator shall have the right to conduct an ex parte hearing in the event of the failure of either party to be present at the time and place designated for the arbitration, and shall have the power to render a decision based on the testimony before him at such hearing. The decision of the arbitrator shall be final and binding upon both parties and may be entered as a final decree or judgment in the Supreme Court of the State of New York or in a court of appropriate jurisdiction in any state where such decision shall be rendered. The costs of the arbitration, including the arbitrator's fee shall be borne equally by the Association and the Union. It is the intent of the parties hereto that all disputes between them, both within and outside of the Agreement, shall be submitted to arbitration and that no defense to prevent the holding of the arbitration shall be permitted. Service of any documents or notice

referred to above, or service of any notice required by law in connection with arbitration proceedings may be made by registered or certified mail. Service upon the Employer may be made on either the individual Employer or the Association.

ARTICLE XIII

No Strike - No Lockout

The Union or its representatives shall not order a strike or stoppage of work, nor shall the employees strike against any Employer, or collectively leave the work of an Employer, for any reason including jurisdictional dispute, nor shall any Employer lock out employees prior to filing a complaint, or pending the adjustment of any existing disputes, as provided for in **Article XII**.

The Union may call or sanction a strike for:

- (1) The Employer's refusal to submit a matter to arbitration, pursuant to the arbitration clause of this Agreement;
- (2) The Employer's failure to comply with any decision of any Board of Arbitration established hereunder within five (5) working days after such decision;
- (3) Any other reason explicitly provided for in this agreement.

ARTICLE XIV

Validity

If any clause or part of this Agreement is found unconstitutional or illegal by court of competent jurisdiction or should any clause or part of this Agreement be found contrary to present or future laws, it shall not invalidate the other portions of this Agreement, it being the sole intent and purpose of this Agreement to promote peace and harmony in the industry as permitted by law.

ARTICLE XV

Section 1. The Employer shall make contributions for each hour worked of all Employees covered by this Agreement and employed by said Employer within the territory of this Agreement in the amounts hereinafter specified to the Welfare Fund, Pension Fund, Vacation Fund, Annuity Fund, New York City and Vic. Section 2. Each Employer's books and payroll records,

including cash disbursement records, shall be made available upon demand of the Trustees at all reasonable business hours. Each signatory Employer acknowledges and agrees that the failure of any Employer to make the required fringe benefit fund contributions affects the liability of all Employers to this Agreement and decreases the benefits available to the Carpenter employees of this Employer. Therefore, each Employer signatory to this Agreement shall make available to the Trustees of the various Fringe Benefit Trust Funds, or their designated auditing representatives, all pertinent books and records, including all cash disbursement records, required for an audit to enable said auditor to ascertain and independently verify that the proper contributions hereunder have been paid and such records will be produced whenever deemed necessary by the Trustees in connection with the proper administration of their fiduciary responsibilities. In order to accomplish this end, it is specifically agreed that should any affiliate or subsidiary Employer as described in this Agreement be involved with the business activities of this Employer. The Employer will make available all the pertinent books and payroll records of such affiliate or subsidiary to the auditor so that a complete audit can be conducted. The extent of the audit and the determination as to what pertinent records are necessary to complete the audit is in the sole discretion of the Employer/Union

Trustees so that they may independently verify that all required contributions have been made and to discover the identity of all beneficiaries under the plans for which they have been entrusted for their proper administration.

Section 3. When auditors are sent to audit the books of any Employer, General Contractor, Prime Contractor, Builder or Subcontractor and a definite appointment is scheduled, when the auditor or auditors cannot start at the appointed time and date and must return, or when valid payroll records are not furnished, then the said Employer, General Contractor, Prime Contractor, Builder or Subcontractor shall be penalized and pay the sum of \$100.00 per auditor, to cover the expense of the auditor or auditors. Same to be included in Trust Agreements of all District Council Funds.

Section 4. It shall be a violation of this Agreement for any signatory Employer to fail to furnish proper records when requested, for the purpose of completing an audit. The Union shall have the right to remove all its members from the offending Contractor upon twenty-four (24) hours' notice. If such members who are removed remain on the jobsite during regular working hours, they shall be paid for lost time not to exceed three (3) working days' pay.

Section 5. Contributions to the New York City District Council of Carpenters Welfare Fund, Pension Fund, Vacation Fund,

Annuity Fund, New York City and Vic. Labor Management Cooperation Fund, United Brotherhood of Carpenters and Joiners of America Fund, Apprenticeship Journeymen Retraining Educational and Industry Fund, and Supplemental Funds shall be in accord with this Agreement. The contribution to the Supplemental Funds shall be allocated in the following manner:

Carpenters Relief and Charity Fund
TWO AND ONE-HALF CENT(\$0.025) PER HOUR

District Council Scholarship Fund
ONE AND ONE-HALF CENT (\$0.015) PER HOUR

The purpose of the Carpenters Relief and Charity Funds is to enable the parties to make charitable donations in the name of the carpentry industry from time to time. Said donations shall be made to duly recognized tax exempt institutions within the meaning of the Internal Revenue Code and to provide emergency assistance to bona fide victims of disaster, catastrophe and community projects for the good of the general public. The contributions shall be included in the payment of the Fringe Benefit Stamp. The Fund shall be administered by two persons, one designated by the Union and the other by the Employer Associations. Both shall serve without pay and shall be bonded to the extent required by law. All monies received by the Fund shall be deposited in a bank selected by the two administrators and shall be disbursed only by check signed by both administrators. At least once a year the entire

balance of the Fund on hand shall be disbursed to organizations and persons who meet the qualifications set forth above. The administrators shall keep such books or records as may be necessary. Once a year the administrators shall account for all monies received and disbursed.

The Supplemental Funds shall be established in accordance with applicable law, and any Employee's authorization that is required shall be secured by the Union.

Section 6. It is agreed that all contributions are due and payable to the District Council Fund Office as called for in this Agreement for the other fringe benefit funds and the Employer does hereby authorize said area Fund Office to forward said contributions to other Fund Office in such manner as the Trustees of said fund shall reasonably require.

(a) By the execution of this Agreement the parties authorize the representatives of the participating Employers and Carpenter Unions to designate their respective Union and Employer Trustees hereby waiving all notice thereof and ratifying all actions taken by them within the scope of their authority.

Section 7. Effective July 1, 1996 the parties to this Agreement recognize the New York City and Vicinity of Carpenters Joint Labor Management Cooperation Trust Fund. The Committee will be funded by contributions paid through the Trust Funds Stamp Plan.

Said donations shall be made in accordance with all applicable Federal and State Laws pertaining thereto.

Section 8. If any of the above allocations are determined to be, in the opinion of Counsel legally improper, then in that event said allocation may be re-allocated by the Union to a presently existing Fringe Benefit Fund, or to another fund to be established by the Union and the Employer.

Section 9. The Employer and the Union acknowledge that they are represented by their duly designated Trustees to administer the various Fringe Benefit Trust Funds provided for in this Agreement. Because of the various liabilities and responsibilities placed upon all parties to this Agreement, including all Contractors and Union representatives and their respectively designated Trustees, each Contractor hereby agrees that the Fringe Benefit Fund Trustees shall have the necessary powers to fulfill their fiduciary obligations in order to fully protect each Employer signed to this Agreement and their employee-beneficiaries under the respective fund plans.

Section 10. Each Employer shall be bound by all of the terms and conditions of the Agreements and Declarations of Trust, creating the Welfare Fund, Pension Fund, Vacation Fund, Annuity Fund, New York City and Vic. Labor Management Cooperation Fund, United Brotherhood of Carpenters and Joiners of America Fund,

Apprenticeship Journeymen Retraining Educational and Industry Fund, and Supplemental Funds as amended, and by all By-Laws adopted to regulate each of said Funds. The Trustees of the eligible Funds shall secure the approval of the Treasury Department under the applicable provisions of the Internal Revenue Code and shall amend the same, if necessary, to secure such approval, so as to qualify the Employer-contributions as deductions for Federal Income Tax purposes.

Section 11. No contribution to any of the Funds as specified in this **Article** shall be required on the premium portion of wages. For the purposes of these **Sections** only, all hours worked shall be regarded as straight-time hours.

(a) It is further agreed, however, that contributions specified in this **Article** shall be paid on the hours represented by wages received for not working on the afternoon of the days specified in **Article X, Section 10**.

(b) Fringe benefit contributions, including Vacation Fund payments, will be the same for the General Foreman, Foreman and Journeyman. Fringe benefit contributions for Apprentices shall be in accordance with applicable schedules in **Article XI**.

(c) In the case of Foreman, General Foreman and First and Second year Apprentices contributions shall be made to the fringe benefit funds on the basis of hours for which said employee is

actually paid, regardless of whether said hours are actually worked. This provision shall not apply to bonuses, paid vacation or paid sick leave, voluntarily paid to said employees.

Section 12. Whenever the Employer is in default in payments to the Funds referred to in **Article XV** or the Agreement, and reasonable notice of such default is given to the Employer, if the payments are not made, the Union may remove its members from the work of such Employer. If such men who are removed remain at the jobsite during regular working hours, they shall be paid for lost time not to exceed three (3) days' pay.

Section 13. (A) In the event that formal proceedings are instituted before a court of competent jurisdiction by the trustees of a Benefit Fund or Funds to collect delinquent contributions to such Fund(s), the Employer shall pay to such Fund(s), and in lieu and any other liquidated damages, costs, attorney's fees and/or interest, the following:

- (1) the unpaid contributions; plus
- (2) interest on the unpaid contributions determined at the prime rate of Citibank plus 2%; plus
- (3) an amount equal to the greater of --

the unpaid contributions; plus
- (4) reasonable attorney's fees and costs of the action;
and
- (5) such other legal or equitable relief as the court
deems appropriate.

(B) In the event that proceedings are instituted before an arbitrator under **Section 14** of this **Article** to collect delinquent contributions to Benefit Fund or Funds, and if such arbitrator renders an award in favor of such Fund(s), the arbitrator shall be empowered to award such interest, liquidated damages, and/or costs as may be applicable under the Agreement and Declaration of Trust establishing such Fund(s).

Section 14. Should any dispute or disagreement arise between the parties hereto, or between the Union and any Employer signatory hereto, concerning any claim arising from payments to the Fund of principal and/or interest which is allegedly due, either party may seek arbitration of the dispute before the impartial arbitrator designated hereunder by filing a notice of intent to arbitrate in writing with said impartial arbitrator, and serving a copy of said notice on the Association, or the Union, as the case may be. Unless a waiver is mutually agreed to in writing by the parties hereto, a hearing shall be convened as soon as practicable, and the

arbitrator shall submit his award within twenty (20) days after the close of the hearing. The arbitrator shall have full and complete authority to decide any and all issues raised by the submission and to fashion an appropriate remedy including, but not limited to, monetary damages. The arbitrator's award in this regard shall be final and binding upon the parties hereto and the individual Employer, if any, and shall be wholly enforceable in any court of competent jurisdiction. The cost of the arbitration, including the fees to be paid to the arbitrator shall be included in the award and shall be borne by the losing party.

(a) Roger Maher, Robert Silagi, Joseph W. Lipowski or Robert Herzog is hereby designated as impartial arbitrator(s) hereunder.

(b) The agreement of the parties to submit said matters regarding the payment of contributions to an arbitrator does not excuse the Employer from any statutory, civil or criminal liability which may attach to his actions under Municipal, State or Federal law. The submission of a matter to arbitration is in no way meant to affect the right of the Union to remove its members from an Employer's premises, as provided for in this Agreement.

Section 15. A stamp plan has been established which provides for the payment of contributions to the Welfare Fund, Pension Fund, Vacation Fund, Annuity Fund, New York City and Vic. Labor

Management Cooperation Fund, United Brotherhood of Carpenters and Joiners of America Fund, Apprenticeship Journeymen Retraining Educational and Industry Fund, and Supplemental Funds pursuant to a consolidated stamp, including the filing of the monthly summary report with the Fund office. The Employer will comply with procedures established by the Benefit Fund Trustees to assure that the employee receives the consolidated stamp together with his/her pay. The stamps shall be purchased through facilities established by the Bank of New York or such other agencies authorized by the Trustees.

16-20	\$ 50000.00
21 or more	\$100,000.00

The Funds may seize the bond if the Funds determine that the Employer has failed to make required contributions to the Funds or if the Employer has violated the Funds' Collection Procedures. Section 15. The Employer agrees that all work covered by this Agreement shall be contracted or subcontracted only to an Employer who is signatory to or agrees to become signatory to a collective bargaining agreement with the Union. The parties hereto mutually agree with respect to work falling within the scope of this Agreement that is to be done at the site of construction, alteration, maintenance, or repair of any building, structure, or other works, that if the Contractor should contract or subcontract any aforesaid works falling within the trade jurisdiction of the Union as set forth herein, said Contractor shall contract or subcontract such only to firms which observe the standards of wages and fringe benefits and working conditions established herein to insure the observance of the wages, benefits, hours, and other items and conditions of employment provided herein.

Section 16. Once an award is made by a General Contractor, Prime Contractor, or Builder to a Subcontractor, who performs only one type of work, then this Subcontractor cannot resubcontract to another Subcontractor who performs the same type of work. This does not apply to recognized specialties.

Section 17. Where for the benefit of the Employer, an employee must cross a body of water in order to reach the jobsite and there is no public transportation available to said site, then it shall be the duty of the Employer to provide adequate safety and

comfort for the employee's transportation. The Employer shall protect such employee under a policy of public liability insurance or any other insurance required by law for any public conveyance. Such certificate shall be posted in a conspicuous place, on any conveyance used by the Employer. Should such transportation, whether private or public, require extraordinary fare, such fare shall be paid by the Employer. The employee shall not leave the shore opposite the jobsite earlier than 8:00 a.m. and shall return to the same shore not later than 3:30 p.m., or if engaged in heavy construction, no later than 4:30 p.m.

Section 18. The Employer agrees that if it performs any service or work described in the Trade Agreements of the District Council of Carpenters within New York State within the geographic jurisdiction of the District Councils, it shall be bound by all the terms and conditions of the Trade Agreement applicable to the location where said service or work is being performed for the period of time that said service or work is being performed in said location, in the same manner as if it were a direct signatory to the applicable Trade Agreement.

Section 19. (a) In order to protect and preserve, for the employees covered by this agreement, all work historically and traditionally performed by them, and in order to prevent any device or subterfuge to avoid the protection or preservation of such work,

it is hereby agreed as follows: If and when the Employer shall perform any work on a job site of the type covered by this agreement as a single or joint Employer within the trade and territorial jurisdiction of the Union, under its own name or under the name of another, as a corporation, sole proprietorship, partnership, or any other business entity including a joint venture, wherein the Employer (including its officers, directors, owners, partners, or stockholders) exercises either directly or indirectly (such as through family members) controlling or majority ownership management or control over such other entity, the terms and conditions of this Agreement including wage and fringe benefits shall be applicable to all such work performed on or after the effective date of this Agreement, provided however that the foregoing provision shall not be interpreted to apply to separate Employer situations. It is not intended that this **Article** be the exclusive source of rights or remedies which the parties may have under State or Federal laws.

(b) All charges of violations of **Paragraph (a)** of this **Section** shall be considered as a dispute under this Agreement and shall be processed in accordance with the procedures for the handling of grievances and the final binding resolution of disputes, as provided in **Article XII**, of this Agreement. As a remedy for violations of this **Section**, the arbitrator (or

arbitration body) provided for in **Article XII**, is empowered at the request of the Union, to require an Employer to (1) pay to affected employees covered by this Agreement, including registered applicants for employment, the equivalent of wages lost by such employees as a result of the violations and (2) pay into the affected joint trust funds established under this Agreement any delinquent contributions together with interest, penalty and liquidated damages to such funds which have resulted from the violations. Provisions for this remedy herein does not make such remedy the exclusive remedy available to the Union or the Trust Fund for violation of this **Section**; nor does it make same or other remedies unavailable to the Union or the Trust Fund for violations of other **Sections** or **Articles** of this Agreement.

(c) If, as a result of violations of this **Section**, it is necessary for the Union and/or the Trustees of the joint trust funds to institute court action to enforce an award rendered in accordance with **Subsection (b)** above, or to defend an action which seeks to vacate such award, the Employer shall pay any accountants' and attorneys' fees incurred by the Union and/or fund trustees, plus costs of litigation, which have resulted from the bringing of such court action.

Section 20. The Employer reserves and retains the sole and exclusive rights to manage its operations and to direct the work

force except only to the extent the express provisions of this Agreement specifically limit or qualify these rights.

Section 21. On every job the Employer shall provide a suitable locker. In buildings over six stories high, a locker is to be provided on every fifth floor. The locker shall have the door hinged in such a way that hinges cannot be taken off while the door is closed without breaking the door. The lock must be a mortise lock or hasp and staple bolted through a door, or a safety hasp which covers all screws; in any case, it must be impossible to open the door without breaking it or the lock.

The Employer shall furnish a suitable tool shanty on every fifth floor on all jobs over ten (10) floors in height.

Section 22. The Employers who have complied with the above requirements are only responsible for loss of tools and clothing due to the burning or forcible entry of the locker and such liability shall be limited to a sum not to exceed:

Tools.....	\$600.00 (finish)
	\$500.00 (concrete)
Overcoat.....	\$150.00
Other Clothing.....	\$150.00
Shoes.....	\$125.00

upon submission of proper proof of loss. Proof of loss must be filed within forty-eight (48) hours of the actual loss and payment of the above described claim must be made within fourteen (14) working days of receipt of the proof of loss. Any disputed claims

shall be resolved pursuant to **Article XII** hereof.

Section 23. Employees' tools which become dulled on the job shall be reconditioned at the expense of the Employer by the Employee covered under this Agreement.

Section 24. All Employers will make sure that any products they ask Carpenters to handle will have a United Brotherhood of Carpenters stamp on it as long as it is within their power to do so.

Section 25. All Carpenters will be given time to wrap up their tools and wash up before lunch and quitting time.

Section 26. There will be no quotas imposed on Carpenters working on a jobsite.

Section 27. Any Employer found guilty of offering cash to Carpenters for hours worked shall pay a fine of five thousand (\$5,000.00) dollars to the Carpenter's Relief and Charity Fund after he has paid monies that were due to the Benefit Funds. This will be decided through the collective bargaining agreement grievance and arbitration clause.

Section 28. In order to protect and preserve for the employees engaged in the manufacturing of custom fixture and mill cabinet products used in the trade, and in order to prevent any device or subterfuge to avoid the protection and preservation of such work, it is hereby agreed that all custom manufactured mill

cabinet and architectural woodwork products which are specified and required in the Employers contract with the client, including doors specifically designed as matching components of said products, shall be fabricated in a signatory shop within an area encompassing the five boroughs of New York City and extending approximately 40 miles beyond the city's borders. Doors, jambs and related components which do not fall within the stated category will be excluded from this provision.

Section 29. All Carpenters will be allowed a ten minute coffee break in the morning. This will also be allowed in the afternoon when working 40 hours.

Section 30. The Union and the Association agree that alternate means of providing workers compensation insurance can be beneficial to the construction industry; accordingly the parties agree to review, at their reasonable convenience, the utilization of an Alternative Dispute Resolution Plan.
